Stakeholder Engagement | Risk Management | Budgeting | Contract Administration (AS4000) | Primavera P6 | MS Project | Stage Gate Frameworks | PMO Uplift | Civil Engineering | Excel

EXPERIENCE

Senior Project Manager 2017 to Present

Kestrel Infrastructure Group, Brisbane

Leading infrastructure upgrades and PMO improvements within the transport sector

- Sponsor the PMO uplift through the introduction of a stage gate framework now used across all 14 active projects
- Led the depot electrification pilot across 6 bus depots in 2023, delivering the project 3 weeks ahead of schedule
- Delivered the $48M Northern Line signalling upgrade on budget
- Reduced open high risks from 31 to 9 over 12 months by introducing weekly risk reviews
- Manage a team of 22 personnel including engineers, schedulers and contractors
- Lead stakeholder management with the state rail authority and 3 local councils

Project Manager 2011 to 2017

Bluewater Utilities, Gold Coast

Managed water main renewal projects valued between $2M and $11M

- Delivered 27 projects over a 6 year period
- Assisted with the procurement of Primavera P6 scheduling tool and trained the team in its use
- Prepared monthly board reports regarding program cost and schedule

Project Coordinator 2006 to 2011

Harbourline Constructions

- Coordinated subcontractors on commercial fit outs
- Managed document control and RFIs

Site Administrator 2003 to 2006

Harbourline Constructions

- Performed general site administration
